NORFOLK ISLAND PHILATELIC BUREAU BULLETI

BULLETIN #4 2011

Dear Collector,

Welcome to our Bulletin No. 4 for 2011.

In keeping with our "Our Stamps tell our Story" motto, a few of our Norfolk stories have been touched on this year. The Museum Pt 2 Definitive Issue features items from the Convict Settlement era, Pitcairn Settlement era and the Melanesian Mission era.

Seashells that wash up on our beaches are sometimes made into necklaces, or just collected along with providing hermit crabs with a home. The Black Nerite (called hi-hi by the Islanders), is a delicacy for many of the islanders. They come out at night when the rocks are cool and are mostly collected at low tide.

Philatelic Staff attended a small gathering on the 24th June. It was a sunny afternoon at Captain Cook Memorial where we celebrated 25 years of National Park Conservation, and launched the stamp issue that commemorated this milestone.

The 29th September 2011 is National Police Remembrance day and a Remembrance Service will be held at the All Saints Church, (originally built as the Commissariat's Store) so that police, their families and members of the community can join together and pause to reflect in prayer and remember those Officers who have lost their lives.

The World Heritage Booklet features convict built buildings in the Kingston area on Norfolk Island which was inscribed on the World Heritage list in June 2010. In complete contrast to its brutal beginnings; this area is now mostly used to create happy memories. Football, triathlons, weddings, fishing, surfing, camping, barbecues, swimming, walking yourself and or the dog along, Opera in the ruins, lazz in the Pines, Bounty Day re-enactment or simply feeding the ducks are just some of the activities that occur in this area today.

We would like to thank you all for collecting Norfolk Island's stamps and we look forward to our stamps telling more of our story in 2012.

Happy Christmas and New Year to you and your families and friends.

The Philatelic Team

Christmas 2011

Flowers that are found in many of the gardens of Norfolk Island are the theme of this years Christmas stamps and at this time they are a wonderful reminder of our Creator's great work. Mary has presented these flowers beautifully and they seem to complement this lovely spring weather that we are experiencing right now.
